TYPESETTER

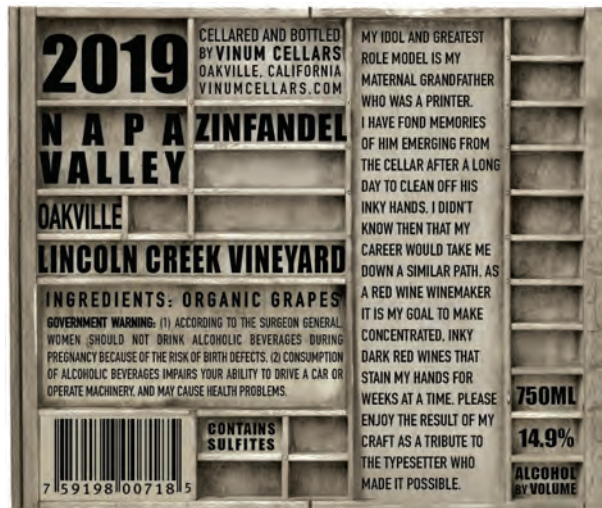

2019 ZINFANDEL, OAKVILLE, NAPA VALLEY LINCOLN CREEK VINEYARD

My idol and greatest role model is my maternal grandfather who was a lithographer, Typesetter and printer, Joseph Otto Molz, who lived and worked his entire life in Baltimore, MD. I have fond memories of him emerging from the cellar after a long day to clean off his inky hands. I didn't know then that my career would take me down a similar path. As a red wine winemaker it is my goal to make concentrated, inky dark red wines that stain my hands for weeks at a time. Please enjoy the results of my craft as a tribute to the Typesetter who made it possible.

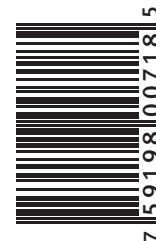

Vineyard and Winemaking Facts: This certified organic heritage clone Zinfandel vineyard is on the corner of HWY 29 and Yount Mill Road across the street from Paradigm.

Tasting Notes: The deep purple plum color coats the glass with strong viscosity and promises an intense tasting experience. The aromas jump out of the glass as old vine in character with candied violets, concentrated raspberry, earth, all spice and clove notes. On the palate the wine really coats the palate with its velvety texture which slowly releases Tahitian vanilla and rich mocha flavors. The wine finishes silky in texture with generous panoforte spice flavors wrapped with a concentrated raspberry compote and rich vanilla.

Food Pairings: This big Zin is terrific with thick cut cowboy steaks, St. Louis Style Ribs or Greek style spit roasted lamb with cucumber and yogurt.
