

Vinum Cellars is a Napa Valley based independent winery crafting world class wines by Richard Bruno & Chris Condos, partners, since 1997. They were inspired by old world winemaking and their love for Chenin Blanc and other obscure grape varietals. Our wines are all traceable and grown by some of the finest growers in California through long-term relationships. All wines are made from grape to bottle. Our wines are expressive, varietally correct, food friendly with higher acidities and offered at affordable prices. Our focus is on organically grown, sustainable and single vineyard wines.
